## Huntington State Beach

Join all of your troop friends for a day and evening at the beach. Some will drive, some will ride bikes, all will have fun! Those who are interested will start in Anaheim and ride on Santa Ana River Trail to Huntington Beach. We will gather at Huntington Beach for play, burgers, dogs and s'mores. Bring the whole family! We need commitment from some parents to go early and claim a fire pit and some to make the food happen.

*Our memories of the ocean will linger on,  
long after our footprints in the sand are gone.*
